Company Overview

Futuristic Mark Contracting Company (شركة العلامة المستقبلية للمقاولات) has a rich history of delivering exceptional construction projects across various sectors. Established to meet the growing demand for high-quality construction services in Saudi Arabia, we have evolved into a trusted name in the industry. Our journey is marked by a commitment to innovation, quality, and sustainability, ensuring that every project we undertake is a step towards a brighter future for Saudi Arabia.

Our Mission

“To deliver high-quality, innovative construction services that exceed client expectations and contribute to the sustainable development of Saudi Arabia.”

Our Vision

“To become the industry leader in the next coming years with our excellent and growing team.”

Values

“Quality, Integrity, Innovation, and Sustainability.”

CEO Message

Muhammad Shafeeq Tahir
General Manager

"Success is not the key to happiness. Happiness is the key to success. If you love what you are doing, you will be successful."

As the CEO of The Futuristic Mark Contracting Company, I am proud to lead a team of dedicated professionals who are committed to excellence in every project we undertake. Our company has built a reputation for delivering high-quality construction services that meet the needs of our clients and contribute to the sustainable development of Saudi Arabia. We are passionate about innovation and continuously strive to incorporate the latest technologies and best practices into our work. Our vision is to be the leading construction company in Saudi Arabia, recognized for our commitment to quality, innovation, and sustainability. I am confident that with our talented team and unwavering dedication, we will continue to achieve great success and make a positive impact on our community.

OUR Services

Construction Services:

We offer comprehensive construction solutions, from initial planning to final execution. Our team ensures every project is delivered on time and within budget, maintaining the highest standards of quality.

Renovation Services:

Our expert renovation services transform residential, commercial, and industrial spaces to meet modern standards and client needs.

Consulting Services:

We provide professional consulting for construction projects, offering expert advice and strategic planning to optimize project outcomes.

Project Management Services:

Our efficient project management ensures seamless coordination, timely delivery, and adherence to budget, providing peace of mind to our clients.

Infrastructure Projects:

We specialize in infrastructure development, contributing to the advancement of essential public facilities with our expertise and commitment to quality.

Integrated EPC:

Our end-to-end Engineering, Procurement, and Construction services deliver integrated solutions for complex projects, ensuring all aspects are handled with precision and care.
